EXPERIENCE

Chaldal Engineering June 2024 – Present
Software Engineer Dhaka, Bangladesh

- Delivered full-stack features using **C#, F#, .NET Core, React Native**, and Azure DevOps CI/CD.
- Built secure multi-account bKash wallet binding system to support 1000+ daily one-tap payment transactions.
- Developed core services of **ChaldalPay**, including QR payments, e-KYC verification, dispute flows, admin features like dispute tools, bulk QR generation, wallet control, etc.
- Integrated **Amazon Rekognition** and **DeepFace** for face verification, and **Election Commission API** for national ID verification.
- Contributed to passing the **Bangladesh Bank audit** for the MFS app; resolved VAPT issues (domain whitelisting, blocking man-in-middle attack) for PCI-DSS compliance.
- Building a new **Payment Gateway** under ChaldalPay with gRPC services and protobuf contracts for merchant payments.

Competitive Programming Contests
Problem Setter, Judge

- Been judge and problem setter for international and national contests including Codechef, IUT IUPC 2024, IIUC IUPC 2023, NGPC 2021, ALNGPC 2021, Tough Duo April 2022, Criterion 2022 Round 17 .

PROJECT

Escape AI | **NestJS, React Native, PostgreSQL, Prisma, OpenAI, Gemini, Google Maps, BullMQ, Redis**

- A travel planner that generates day-by-day itineraries with real places, photos, and travel times from a single trip request.
- Two-step pipeline: **AI** returns the itinerary (place names and timings) as JSON against a fixed schema, then the backend resolves each place through **Google Places** and retrieves travel times via **Google Routes**; place_id results are cached in **PostgreSQL** to avoid redundant API calls on repeat queries.
- **JWT + OAuth** authentication, with subscription tiers and per-user rate limits and quotas enforced on the generation endpoint.

TECHNICAL SKILLS

Languages: C#, F#, TypeScript, C++
Frameworks: ASP.NET Core, NestJS, React Native
Tools: Git, Claude Code, OpenAI and Gemini API, MSSQL, PostgreSQL, Prisma, Redis, Docker, Azure DevOps, gRPC

ACHIEVEMENTS

- Two times participated in **ICPC Asia West Continent Final 2022 and 2023**
- **9th** in ICPC Dhaka Regional 2023 and **20th** in NCPC 2023
- Codeforces Max Rating: 1661 (Expert)

EDUCATION

Rajshahi University of Engineering and Technology December 2024
B.Sc. in Electrical and Computer Engineering Rajshahi, Bangladesh

VOLUNTEERING

Class Representative February 2019 – December 2024
Department of Electrical and Computer Engineering, 18 Series RUET

General Secretary June 2023 – May 2024
Astronomy and Science Society of RUET (ASSR) RUET

- Organized several national and regional events, including Science Olympiads, project showcases, and Rubik's Cube competitions.
